A Rainy Day Adventure with Beloved Farm Animals

On a rainy day, the farm animals on Farmer Brown's farm seek shelter from the downpour. But instead of feeling gloomy, they discover a world of fun and adventure indoors.

Guided by the wise advice of the clever cow, Click, the animals explore the cozy barn, transforming ordinary objects into extraordinary playthings. An upturned bucket becomes a drum, a torn sheet transforms into a flowing river, and an old blanket shelters them from the raindrops.
