## By John Feinstein

College football is more than just a game. It's a ritual, a tradition, and a rivalry. It's a way of life for millions of Americans. And it's a powerful reflection of our values and identity.

In his new book, *College Football and the Secret Heart of America*, award-winning author John Feinstein explores the hidden meaning behind the rituals, traditions, and rivalries that make college football so beloved by millions. Through interviews with players, coaches, fans, and administrators, Feinstein uncovers the hidden stories and symbols that give college football its unique and enduring place in our culture.

Feinstein argues that college football is not just a game, but a way of understanding ourselves. It's a way of connecting with our past, our

present, and our future. It's a way of celebrating our triumphs and mourning our losses. And it's a way of coming together as a community.

College football is a mirror of our society. It reflects our values, our hopes, and our fears. It's a way of understanding who we are and who we want to be.

In *College Football and the Secret Heart of America*, John Feinstein takes us on a journey through the heart of college football. He shows us the hidden meaning behind the rituals, traditions, and rivalries that make college football so special. And he helps us understand why college football is more than just a game.

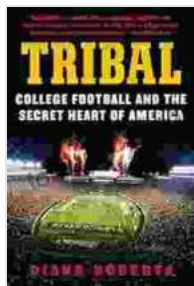

### **Praise for *College Football and the Secret Heart of America***

"John Feinstein has written a masterpiece. *College Football and the Secret Heart of America* is a must-read for anyone who loves college football, or who wants to understand the American character." —**Jon Meacham, Pulitzer Prize-winning author**

"Feinstein's book is a love letter to college football. It's a celebration of the game, the players, the coaches, and the fans. But it's also a serious examination of the role that college football plays in our culture." —**Pete Thamel, ESPN senior writer**

"Feinstein has captured the essence of college football. *College Football and the Secret Heart of America* is a book that will be read and enjoyed for years to come." —**Pat Forde, *Sports Illustrated* senior writer**
