## By Celeste Ng

An unforgettable novel about the power of stories and the ways they can shape our lives.

When her beloved husband dies suddenly, Eleanor Johnston is left reeling. In the aftermath of his death, she discovers a hidden manuscript—a novel

that he had been working on in secret. As Eleanor delves into the pages of her husband's unfinished work, she begins to unravel the secrets of his past and the complexities of their marriage.

Interwoven with Eleanor's present-day grief is the story of the novel's protagonist, a young woman named Clare who is struggling to come to terms with her own loss. As Eleanor reads Clare's story, she finds herself drawn into a world of love, loss, and the enduring power of human connection.

"The Afterward Johnston" is a beautifully written and emotionally resonant novel that explores the complex nature of grief, the power of storytelling, and the ways in which we can find healing and hope in the face of adversity.
