Delve into the Past, Discover the Present

"Month in the New Old Country" is not merely a historical account but an exploration of the enduring legacy of our ancestors. Van Houten delves into the culture, customs, and traditions that shaped the American character. He uncovers forgotten stories of courage, innovation, and determination, reminding us of the resilience and ingenuity that built our nation.

Through intimate encounters with local experts and historians, Van Houten weaves a rich tapestry of historical threads. He visits the cobblestone streets of German villages where the first settlers honed their skills as farmers and craftsmen. He explores the charming canals of Amsterdam, where merchants fueled the burgeoning economy of the New World.

A Time Capsule of American Heritage

With each chapter, Van Houten reveals the intricate connections between the past and present. He uncovers the forgotten names and places that played a pivotal role in American history. He delves into the motivations and experiences of those who left everything behind in search of a new life in a foreign land.

"Month in the New Old Country" is more than just a history book. It is a time capsule of American heritage, a reminder of where we came from and the values that have shaped our identity. It is a testament to the enduring spirit of exploration and the pursuit of a better life.
