

Flamethrowers: Guardians of the Game

The Ultimate Guide to the World's Most Lethal Weapon

Flamethrowers have been used in warfare for centuries, and they continue to be one of the most feared weapons on the battlefield. In *Flamethrowers: Guardians of the Game*, author Robert Bruce gives readers an in-depth look at this fascinating weapon, from its early development to its use in modern warfare.

Bruce begins by tracing the history of flamethrowers, from their early use by the Byzantines to their widespread adoption by armies during World War I. He then goes on to discuss the different types of flamethrowers that have been developed over the years, as well as the tactics and strategies that are used to employ them in combat.
