Poems from Love Travels

Vermont

The snow falls softly, And the wind whispers through the trees. I am home in Vermont, Where the mountains meet the sea.

I am surrounded by love, My family and friends, Who have always been there for me, Through thick and thin.

I am grateful for my life here, In this beautiful state, Where I can find peace and solace, And always feel loved.

Paris

The Eiffel Tower sparkles, And the Seine River flows. I am lost in Paris, A city of love and art.

I wander the streets, And take in the sights, The beautiful architecture, And the vibrant culture.

I am inspired by the city, And its endless possibilities. I feel alive and free, And I know that I will always cherish my time here.

Austin

The sun shines brightly, And the music fills the air. I am home in Austin, A city of live music and culture.

I am surrounded by creativity, And a sense of community. I feel inspired and motivated, And I know that I can achieve anything I set my mind to.

I am grateful for my life here, In this vibrant city, Where I can find my own voice, And follow my dreams.

Love Travels is a beautiful and moving collection of poetry that will resonate with readers of all ages. The poems are full of vivid imagery, lyrical language, and honest emotion. The author's voice is strong and clear, and she has a gift for capturing the beauty and complexity of the human experience. I highly recommend this book to anyone who loves poetry, or who is interested in exploring the themes of love, travel, and self-discovery.
