In the small town of Willow Creek, nestled amidst the rolling hills and whispering pines, lies a forgotten relic of a bygone era: The Electric.

Once a thriving dance hall, The Electric now stands abandoned and decaying, its once-bright lights extinguished, its walls echoing with the ghosts of laughter and lost dreams.

But for Emily Carter, The Electric holds a特殊place in her heart. It was here that she met the love of her life, a handsome young musician named Jack.

Their love was as passionate and intoxicating as the music that filled the air, but it was cut short by a tragic accident that claimed Jack's life.

Years later, Emily returns to Willow Creek, drawn by the memories of her lost love. She finds The Electric in ruins, but the spirit of the place remains as strong as ever.

As Emily delves deeper into the secrets of The Electric, she uncovers a haunting tale of love, loss, and redemption.

She learns about the tragic history of the dance hall, the spirits that linger within its walls, and the unfinished business that binds them to the mortal world.

With the help of a sympathetic ghost hunter, Emily confronts the darkness that has consumed The Electric, determined to find peace for the restless spirits and her own broken heart.

Midnight At The Electric is a haunting and atmospheric tale that will keep you on the edge of your seat from beginning to end.

Jodi Lynn Anderson weaves a spellbinding narrative that explores the themes of love, loss, redemption, and the power of the human spirit.

This is a must-read for fans of supernatural thrillers, historical fiction, and stories that stay with you long after you finish reading them.
