The book begins with a brief overview of the early days of Australian cricket, before delving into the golden age of the sport in the late 19th and early 20th centuries. It covers all the major events and players of this era, including the famous Ashes series between Australia and England.

The book also includes a detailed look at the development of Anglo-Australian cricket, which began in the late 19th century. This section covers the early tours of Australian teams to England, as well as the establishment of the Anglo-Australian Test series.

In addition to its historical content, the book also includes a number of personal reminiscences from the author. These reminiscences provide a unique insight into the world of cricket, and help to bring the history of the sport to life.

This book is a must-read for any fan of cricket. It is a comprehensive and engaging account of the history of Australian and Anglo-Australian cricket, and is packed with fascinating stories, anecdotes, and insights.
